PROFESSIONAL SUMMARY

Experienced technology leader and AI practitioner with 15+ years spanning full-stack engineering, DevOps, and enterprise delivery. Since December 2025, operating as Fractional Consultant CTO to multiple corporates and running Social Media Channel focused on deploying and customising AI voice agents for clients. Also one of India's fastest-growing AI Voice Calling content creators — 2M+ views in the last 30 days across YouTube and Instagram — with direct reach to decision-makers evaluating AI solutions across India, UAE, and Singapore. Brings rare depth as a hands-on builder, strategic advisor, and influential community voice simultaneously.

WHAT I BRING

- **AI Voice & Content Authority:** 2M+ views — among India's top AI Voice Calling channels (YouTube + Instagram).
- **Hands-On AI Deployment:** Full Stack & AI Agency — deploy and customise AI voice agents for real clients; hands-on practitioner, not just a reviewer.
- **Fractional Consultant CTO:** Fractional Consultant CTO to multiple corporates since Dec 2025, with direct access to C-suite decision-makers actively evaluating AI.
- **Global Reach:** On-ground presence in Pune with active audience reach across UAE, Singapore, and beyond through content and client networks.
- **Organic Inbound Pipeline:** Several enterprise leads already building organically through content — proof of thought-leadership converting to real business pipeline.

TOP CONTENT & MEMES (200k - 1m+ Views)

EXPERIENCE

Fractional Consultant CTO & AI Solutions Advisor

Independent / Multiple Corporate Clients *Dec 2025 – Present*

- Provide strategic technology leadership to multiple corporate clients, guiding AI adoption, infrastructure decisions, and digital transformation roadmaps.
- Architect and deploy AI voice agent solutions for enterprise clients — end-to-end customisation, integration, and post-deployment optimisation.

AI Content Creator & Influencer — AI Voice Calling

YouTube (@yohita005) | Instagram (@yohita005) *Dec 2025 – Present*

- Amassed 2M+ views in the last 30 days, establishing one of India's top channels focused exclusively on AI voice calling technology.
- Produce in-depth reviews, tutorials, and comparisons of AI voice platforms, driving informed adoption among Indian businesses and global audiences.
- Bridge the gap between technical AI capabilities and business decision-makers through accessible, authoritative content.

Chief Technology Officer

Mobify Technology Solutions Pvt Ltd *Jan 2017 – Nov 2025*

- Led enterprise-level product development across ERP, Open Source and Mobile platforms for clients including Sony Music, Venus, Times Music, Squats.in (Fittr), and PPL – Phonographic Performance Limited.
- Directed multi-project onshore/offsite teams from conceptualisation through deployment, owning the full delivery lifecycle.
- Established CI/CD pipelines and DevOps practices, reducing release cycles and improving production stability.

Built and mentored high-performance engineering teams; responsible for technical hiring, performance frameworks, and career development.

Delivery Head

Mobify Technology Solutions Pvt Ltd *Jun 2016 – Dec 2016*

- Oversaw delivery operations across multiple client projects, ensuring on-time, on-scope product releases.
- Managed client relationships and acted as primary escalation point for enterprise accounts.

Technical Associate

Tech Mahindra *Jan 2012 – Jun 2013*

- Contributed to enterprise web application development and maintenance within a large-scale IT services environment.

Web Application Designer & Developer - Freelancer

TechDuDeZ *Jan 2009 – Jan 2012*

- Designed and developed full-stack web applications for diverse clients, building foundational expertise in product engineering.
